END-USER LICENSE AGREEMENT

This End-User License Agreement (EULA) is a legal agreement between you ("User") and Softcial regarding the use of the Task Stream – Process Flow Chart custom visual for Microsoft Power BI. By installing, accessing, or using this visual, you agree to the terms outlined below. If you do not agree, do not use the visual.

License Grant

Softcial grants you a limited, non-exclusive, non-transferable, revocable license to use the Task Stream – Process Flow Chart within Power BI for personal or business reporting purposes.

You May:

- Use the visual within Power BI for internal reporting.
- Share Power BI reports containing the visual within your organization.

You May Not:

- Modify, reverse-engineer, decompile, or disassemble the visual.
- Distribute, resell, sublicense, or lease the visual to third parties.
- Use the visual for any illegal, fraudulent, or malicious activity.

Ownership & Intellectual Property

- The Task Stream – Process Flow Chart is owned and copyrighted by Softcial.
- This EULA does not grant you any ownership rights to the visual, its design, or its source code.
- Softcial retains all rights, including future updates, enhancements, and modifications.

Data Privacy & Security

- This visual does not collect, store, or transmit any personal or sensitive data outside of Power BI.
- Users are responsible for ensuring that the data they use complies with organizational policies and applicable laws.
- For more details, refer to the Privacy Policy.

Support & Updates

- Softcial may provide support as outlined in the Support Policy.
- Updates, bug fixes, or enhancements may be released periodically, and users are encouraged to update to the latest version.
- Softcial is not responsible for any issues caused by Power BI updates, third-party conflicts, or incorrect user configurations.

Warranty Disclaimer

- The Task Stream – Process Flow Chart is provided "as is" and "as available", without warranties of any kind.
- Softcial does not guarantee the visual will be error-free, uninterrupted, or meet all user requirements.
- Users assume full responsibility for the use of the visual and any results generated from it.

Limitation of Liability

Softcial shall not be liable for:

- Any direct, indirect, incidental, or consequential damages resulting from the use or inability to use the visual.
- Loss of data, financial losses, or reporting inaccuracies due to user
- Any issues arising from Power BI platform changes or third-party software interactions.

If liability cannot be fully excluded under applicable laws, Softcial's total liability shall not exceed the amount (if any) paid for the visual.

Termination of License

- Softcial reserves the right to terminate this license if you violate any terms of this EULA.
- You may stop using the visual at any time by removing it from Power BI.

Changes to the EULA

Softcial may update this agreement at any time. Continued use of the visual after changes are made constitutes acceptance of the updated terms.

Governing Law

This agreement shall be governed by and construed in accordance with the laws of the Republic of Costa Rica, without regard to conflicts of law principles.
